DISCOVER BOATING® MIBS PRODUCTS PREVIEW Miami Beach Convention Center, February 12-16

New Revatek Altion Alternator Regulator | Booth MB3231

Using excess engine power, the Altion Alternator Regulator optimizes your power system, ensuring your batteries charge faster and last longer. Provides real-time system status and monitoring information at a glance and works with all major battery chemistries (lead-acid, lithium) and 12-48V systems (8.5-60V operating range). More info: <https://revatek.com/products/altion-alternator-regulator>

TACO Marine® Open Water Carbon Fiber Outrigger Poles | Booth MB7027

Unlike other internally rigged poles on the market that are fixed or challenging to set up and take down, TACO's Open Water Internal & Collapsible Carbon Fiber Outrigger Poles (winner of a 2024 Miami Innovation Award) can be collapsed quickly and easily for transportation and storage. The three-piece design features a patent pending latching mechanism that provides a Twist & Lock connection between pole segments – enabling easy and secure setup when heading offshore. <https://tacomarine.com/oi-series-2>

SIONYX Nightwave™ Night Vision Camera | Booth MB3346

Nightwave™ is built around SIONYX's patented Black Silicon BSI CMOS sensor, making it easy to spot obstacles and debris in moonless starlight without white light or expensive thermal cameras. Featuring <1 millilux moonless starlight sensitivity, you will see well beyond human eyesight and detect man-sized objects at 150 meters. Flexible mounting options and easy setup, Nightwave seamlessly integrates with major brand MFDs. <https://www.sionyx.com/products/nightwave>.

New ACR GlobalFix™ V5 AIS EPIRB | Booth MB3105

The ACR GlobalFix V5 AIS Emergency Position-Indicating Radio Beacon is an innovative EPIRB with a unique feature set. The addition of an AIS alert provides the easiest and quickest path to rescue while the included Return Link Service (RLS) functionality provides a welcome sense of security by providing direct to beacon confirmation that your distress message has been received. Adding Near Field Communication (NFC) to the mix allows for smartphone connectivity and access to data and product interaction that has never before been available. <https://www.acrartex.com/products/globalfix-v5-ais-epirb>

New Mustang Survival Atlas 190 DLX Life Jacket | Booth MB5045

A cutting-edge choice for offshore sailing, cruising, and boating, the Atlas 190 is ISO-approved and features a re-engineered bladder for exceptional turning and airway protection. It offers an impressive 42 lbs of buoyancy when inflated. The Atlas incorporates ADAPT Technology (ADvanced Airway Protection & Turning), with bladder lobes shaped to turn the wearer face up effectively, baffle barriers near the chin to dissipate incoming waves to the face, a wide head pillow to provide greater stability for user's head, and dogleg design for improved in water comfort and stability. <https://mustangsurvival.com>

New Isotherm Cruise 226 Refrigerator/Freezer | Booth HP562

isotherm

The Cruise 226 is a black, modern design two door UL approved fridge-freezer solution designed for dependable service in tough marine environments. With a low power draw (115V/230V AC and 12/24V DC for operation worldwide) and efficient footprint, the unit's 6.35 cubic ft. refrigerator section features molded-in cradles and four door shelves which offer plenty of room for food and tall beverages. The 1.62 cubic ft. freezer section offers spacious storage for frozen beverages.
