NEW & FEATURED PRODUCTS
Including Exhibitors @ DBMIBS, February 11-15

Cameron Connect Wire & Cable

Wired for service, Cameron Connect is a master supplier of leading brands of marine wire and cable that meets or exceeds NEC, ABYC, UL and USCG requirements, including extra flexible primary wire & battery cable, and flat & round multi-conductor cable. More info: <https://www.cameronconnect.com/marine>

SIONYX Digital Nightwave™ Camera | DBMIBS Booth MB3608

The SIONYX Nightwave Digital Night Vision Camera delivers full-color visibility in near-complete darkness. Experience professional-grade digital night vision capabilities without the complexity. More info: <https://www.sionyx.com/collections/nightwave-marine-night-vision-camera/products/nightwave-digital>

ACR Searchlight Control Accessories | DBMIBS Booth MB4006

ACR Electronics will feature three new searchlight control accessories in booth MB4006 at the Discover Boating™ Miami International Show® next week. The URP-103 Point Pad, URH-103 Handheld Remote Control and URC-104 Master Controller comprise the next generation of ACR searchlight control accessories and seamlessly integrate with ACR RCL-100 LED and RCL-50 LED searchlights. More info: <https://www.acrartex.com>

Mustang Atlas 190 DLX Life Jacket | DBMIBS Booth MB5045

Winner of a 2025 Miami Innovation Award, the Atlas 190 is the cutting-edge choice for offshore sailing, cruising, and boating. This groundbreaking inflatable platform is ISO-approved and features a re-engineered bladder for exceptional turning and airway protection. It offers an impressive 42 lbs. of buoyancy when inflated. The Atlas incorporates ADAPT Technology (ADvanced Airway Protection &

Turning), with bladder lobes shaped to turn the wearer face up effectively, baffle barriers near the chin to dissipate incoming waves to the face, a wide head pillow to provide greater stability for user's head, and dogleg design for improved in water comfort and stability. <https://mustangsurvival.com>

Viking Life Rafts | DBMIBS Booth MB6089

Viking will be on deck with life rafts in booth MB6089 at the Discover Boating™ Miami International Show® next week. The Viking booth will include the RescYou Coastal 6 Person Life Raft (Valise), shown here, the smart solution for boating in coastal or inland waters near rescue points. Exceeding requirements for ISO 9650-2 approval, it includes a wide range of additional features including an automatically inflatable canopy, innovated boarding ramp providing swift and easy boarding, and full complement of SOLAS flares. More info: <https://www.viking-life.com>

Steiner Binoculars | DBMIBS Booth MB6049

Steiner Binoculars will be featured in the El Capitan booth MB6049 at the Discover Boating™ Miami International Show® next week. Steiner Binoculars on display will include the 7x50c Commander Binoculars With Compass (shown here). Steiner Binoculars feature antireflection, high-definition lenses delivering sharp, clear images by day or night. The 7x50c Commander Binoculars feature an open-bridge design which makes the binoculars easy to grip, and foldable winged eyecups to keep lateral light out of the eyes.
