**Wicked Tuna Fishing Vessel *No Limits*
Equipped With Albin & Sudbury® Products**

Capt. Michelle Bancewicz (left) and first mate Lea Pinaud (right) of the Wicked Tuna Fishing Vessel No Limits with the Albin and Sudbury products they have aboard for the reality TV show's 13th season, now airing on the National Geographic channel.

Peabody, Massachusetts (USA) – The Fishing Vessel *No Limits*, appearing in the new season of the commercial fishing reality TV series *Wicked Tuna*, is equipped with a wide range of Albin Group and Sudbury® Boat Care products.

Now in its 13th season on the National Geographic channel, *Wicked Tuna* features commercial tuna anglers based in Gloucester, Massachusetts, who fish for the lucrative Atlantic bluefin tuna in the North Atlantic Ocean. The teams of anglers battle each other to see who can get the most profit out of catching the fish.

FV *No Limits* is equipped with an Albin toilet, waste tank system, water pumps, diaphragm pumps, bilge & circulation pumps. During the season, *No Limits* Capt. Michelle Bancewicz and first mate Lea Pinaud will clean and maintain the vessel with Sudbury boat cleaners, waxes and polishes.

For more information about Albin and Sudbury products, visit <https://albin.group> and <https://www.sudburyboatcare.com>. For more information about *Wicked Tuna*, visit <https://www.nationalgeographic.com/tv/shows/wicked-tuna>.
