Spring Product Spotlight: Albin Marine Toilets

Albin has a toilet for every installation situation. Really.

Peabody, MA - If you're outfitting a new boat this Spring, or upgrading your existing sanitation system, Albin marine toilets can meet every installation situation onboard.

Manual and electric operation in four different sizes: compact low, compact, comfort and premium. All bowls are made of white vitreous porcelain with corrosion resistant parts throughout.

With an appealing and functional design, Albin toilets are easy to maintain and clean. A wide selection of conversion kits can transform a manual model to electric or silent electric.

Watch this video for an overview of the range, now airing on the Boat Gear Guy YouTube channel: <https://youtu.be/YaH4MOVli7w?si=JwqtOCY-7eToHtsA>.

For more info, contact your Albin toilets distributor or retailer, visit <https://albin.group/product-category/marine-toilets> or call 978-532-4019.
