GUILFORD, CONNECTICUT – Represented by Ocean Marketing, Isotherm will showcase the new Cruise 226 Refrigerator/Freezer in Herald Plaza booth 562 at the Discover Boating™ Miami International Show® next week.

The Cruise 226 is a black, modern design two door UL approved fridge-freezer solution designed for dependable service in tough marine environments. With a low power draw (115V/230V AC and 12/24V DC for operation worldwide) and efficient footprint, the unit's 6.35 cubic ft. refrigerator section features molded-in cradles and four door shelves which offer plenty of room for food and tall beverages. The 1.62 cubic ft. freezer section offers spacious storage for frozen beverages.

For more information, visit Herald Plaza booth 562, email Ocean Marketing [info@oceanmark.com](mailto:info@oceanmark.com), or in the US call 1+800.343.8294.
