**Miami Preview: Viking RescYou Coastal
6 Person Life Raft Booth MB6106**

GUILFORD, CONNECTICUT (USA) – Represented by Ocean Marketing, Viking will feature the RescYou Coastal 6 Person Life Raft (Valise) in booth MB6106 in the Miami Beach Convention Center at the Discover Boating™ Miami International Show® next week.

The RescYou Coastal 6 Person Life Raft (Valise) is the smart solution for boating in coastal or inland waters near rescue points. Exceeding requirements for ISO 9650-2 approval, it includes a wide range of additional features including an automatically inflatable canopy, innovated boarding ramp providing swift and easy boarding, and full complement of SOLAS flares. Large ballast bags keep the life raft stable in the water, helping to prevent capsize in very heavy seas. Oversized openings and zippers help facilitate embarkation and easy access to extract evacuees by boat or helicopter. A container model is also available.

For more information, visit booth MB6106 in the Miami Beach Convention Center, email info@oceanmark.com or in the US call 1+800.343.8294.
