**Swobbit® Professional Boat Cleaning Tools
On METSTRADE Stand 01.474,
November 19-21, Amsterdam RAI**

Discounts on select Swobbit accessories will be offered with the purchase of the Perfect Pole telescoping handle 3'-6' (91 - 183 cm) and/or the Swivel Plate Dual-Axis Uni-Snap™ for scrub pads. 20% Off Dragon Glide Premium Drying Mops and 20% Off all Swobbit Scrub Pads. Visit the stand for details.

The Swobbit® Europe Team will be available on stand 01.474 at METSTRADE 2024 to acquaint visitors with the efficient way to keep a boat clean with the Swobbit System, which includes the Swobbit Perfect Pole handle and 14 attachments.

The handle is the most important product in any cleaning system and the strong and sturdy Swobbit Perfect Pole handle adjusts easily and is comfortable to hold.

The Perfect Pole is constructed from custom extruded 6463 T5 anodized aluminium and the inner section and fixed handles are constructed from 6063 T8 anodized seamless drawn aluminium tubing for superior strength and corrosion resistance.

With the Perfect Pole, changing accessories is a snap. The patented Insta-just internal tracking system, with the exclusive Uni-Snap quick release mechanism, makes extending and collapsing

the Perfect Pole quick and fool proof, eliminating frustrating alignment problems. The button will pop up in the next hole, every time.

The Swobbit System includes premium quality cleaning brushes, drying mops & cloths, scrub pads & plates, soft washing tools, water blades and cleaning textiles.

The Swobbit System and accessories are available online and at marine retailers worldwide. For more information, visit <https://swobbiteurope.com>.
