**Product Spotlight: TACO Marine® Pro Series
GS-400 Mount For 1-1/2" Outrigger**

The best-selling TACO Marine® Pro Series GS-400 Outrigger Mount for boats up to 50' and 1600 horsepower has increased girth and weight to handle the additional pressure from torque and whip from outrigger poles 24' and beyond.

For use with 1-1/2" TACO outriggers, the cast stainless steel and aluminum GS-400 can be rotated horizontally from under the T-top. A strong, locking head allows for perfect positioning.
